VISUAL ELEMENTS

Our Logo

VISION AND INSPIRATION

CIAT's logo of the bear comes from the grizzly bear on the California state flag, the oldest unofficial State Symbol which had come to symbolize the Golden State over the years. Similar to the design's initial purpose, the bear was adopted to be a symbol of strength and unyielding resistance.

CIAT is proud of its home state, known globally as a hub for technology and innovation. CIAT's approach to higher education, as well as its unique student body and staff, also inspired this symbol and the elements it represents: power, courage, nobility, wisdom, passion, and family.
